

# Biblically Responsible Investing

At Inspire Investing, we believe that investing in the most inspiring companies aligned with biblical values offers investors a powerful way to make a positive impact on the world while also providing the potential for above average performance. **The Inspire Impact Score Methodology** is an objective, rules-based scoring system that rates companies based on their alignment with biblical values and the degree to which they operate as blessings to their customers, communities, workforce, and the world.

*There is no guarantee that any investment will achieve its objectives, generate positive returns, or avoid losses.*
